Best Glue Ever

The quick stick glue that "does-it-all" for paper & small embellishments including gems, buttons, beads, sequins, charms, die cuts, glitter, & more

- Dries fast, clear, and flexible with a super strong bond
- Use sparingly! Bonds paper to paper in seconds without wrinkling
- Minimal glue is required. One bottle lasts and lasts
- Adheres a variety of materials including paper, vellum, plastic, metal, ceramic, fabric, foam, wood, rubber and more
- Thin writing tip for detail applications and for use with glitter, flock, and other fine bling
- Makes homemade 'Adhesive Dots'. It's easy & inexpensive
- Acid-free, nontoxic, non-stringy, no fumes, low odor
- Re-positionable or permanent
- Does not show through vellum or bleed through ribbon
- Wet glue cleans up with soap & water, yet dries permanent even on fabric. ScraPerfect's Best Cleaner Ever removes dry glue!

Embellie Gellie

Use pearl-sized ball of Embellie Gellie on the wand to pick-up small embellishments

- Pick up & precisely place even tiny embellishments including beads, gems, buttons, sequins, charms, die cuts & more
- Perfect tackiness means it's strong enough to pick up charms, yet releases die cut letters and confetti with ease
- Better than tweezers! Easier to pickup flat items, and will not mar, bend, or "pop" embellishments
- Does not leave residue film on embellishments
- Stable material. Will not dry out, soften, or harden over time or with changes in temperature
- The environmentally-friendly design and minimal packaging contains a long-lasting supply of Gellie

Package Size: 3" x 5"

Perfect Cleaning Cloth

Cloths are available with a variety of ribbon designs making it easy to keep one for crafting uses and another to use on delicate surfaces

- Erases fingerprints from photographs
- Cleans eyeglasses, laptop screens, PDAs, camera lenses, acrylic albums, and scanner beds without chemicals
- Eliminates anti-static powder after embossing- even from black or textured papers
- Wipe away messy glitter, flock, and other fine bling from projects and work surfaces
- Attracts and lifts sanding dust created by distressing paper and chipboard
- Attracts like a magnet -- Holds like a sponge
- Environmentally-friendly, washable fiber made from recycled materials
- Perfectly sized for portability and detail usage
- Companion product to ScraPerfect's "Perfect Crafting Pouch" to remove the occasionally visible powdery residue
